TAM SERVICE

Published by *R. C. Booth Enterprises, Harlan, Iowa 51537*

The information in this directory service concerns the occupancy of the county's rural homes as compiled by survey of the county.

**T**ownship maps locating rural residents

**A**lphabetical locator of each rural resident

**M**ailing list; alphabetical with addresses.

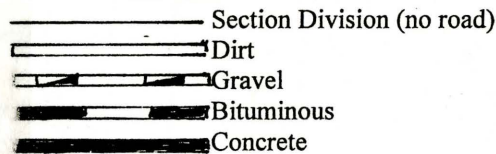

On the township maps (arranged alphabetically) each number indicates the section number of that township. The name of each rural resident in the township is located on the map at the location. (Occupied ●, Vacant ○).

The alphabetical locator lists the occupant's name, post office address, location on the map, and indication whether owner or renter (O or R).

EXAMPLE: O King, R K – Har- 1724 Rosebud Gree 31

This indicates that Mr. King is an owner "O", he gets his mail on Harlan, 1724 Rosebud and his location will be found in section 31 on the Greeley township map
